

NEW SSTI APP AVAILABLE!

on the iPhone, Android, Blackberry and iPad Devices

Strategic Storage Trust, Inc. (SSTI) is pleased to announce the availability of a new SSTI App designed for iPhone, Android, Blackberry devices and also viewable on the iPad. The iPad native version will be available in April.

SSTI is committed to staying in front of emerging technologies and allowing quick access to information regarding our offering.

As the first and only public non-traded REIT focused on self storage, we are proud to also be the first non-traded REIT available on the iPhone, Android and Blackberry devices.

Simply search for "SSTI" in the Apple, Android and Blackberry marketplace and download our app free of charge.

Users will have access to our library of documents, including brochures, prospectus, supplements and forms, and can view our latest press releases, property gallery, video, and much more at their fingertips.

Download the SSTI app today and be among the first with this valuable tool.
